Westchester Wind Project

Natural Forces intends to bid the proposed Westchester Wind Project into the provincial Green Choice Program Request for Proposals. This project is located near Westchester Mountain in Cumberland County to the west of Highway 104. This project was presented to the community at information sessions in July 2021 and February 2023. No significant changes have been made to the project design.

Project updates will be published on the project website and sent to our mailing list as they become available. For more information, or to join our mailing list please contact:

Meg Morris, Project Manager
